UCSB Will Graduate 4,800 Students in Eight Commencement Ceremonies

Approximately 4,800 graduating students will take part in one of eight official commencement ceremonies scheduled at UC Santa Barbara over eight days starting June 10 and concluding June 17.

The campus's commencement exercises attract an estimated 35,000 visitors to the Santa Barbara area each year.

As is traditional at UCSB, the ceremonies are organized by college, level of degree, and field of study so that each student can be individually recognized.

Chancellor Henry T. Yang will shake the hand of each student graduating from the College of Creative Studies, the College of Engineering, the College of Letters and Science, the Donald Bren School of Environmental Science and Management, and the Graduate Division.

The College of Creative Studies will lead off with its ceremony on Sunday, June 10, at 11 a.m. in Campbell Hall.

The Donald Bren School of Environmental Science and Management will conduct its ceremony on Friday, June 15, at 10 a.m. in the Bren Hall Courtyard.

On the weekend of Saturday, June 16, and Sunday, June 17, six ceremonies -- three each day -- will be held on the Commencement Green behind the Faculty Club.

A listing of the ceremonies and guest speakers follows. Complete biographical information on all speakers is available on the UCSB Web site at this address:
