Area Students Receive UCSB Regents' Scholarships

Thirty-five high school graduates and college transfer students from California, Colorado, and New Mexico will enter UC Santa Barbara this fall as Regents Scholars, the most prestigious honor awarded to incoming students at the university.

The Regents Scholarship Program was established by the Regents of the University of California in 1962. Recipients are selected on the basis of demonstrated academic excellence, leadership, and exceptional promise. The names of the recipients and their educational institutions follow.

About UC Santa Barbara

The University of California, Santa Barbara is a leading research institution that also provides a comprehensive liberal arts learning experience. Our academic community of faculty, students, and staff is characterized by a culture of interdisciplinary collaboration that is responsive to the needs of our multicultural and global society. All of this takes place within a living and learning environment like no other, as we draw inspiration from the beauty and resources of our extraordinary location at the edge of the Pacific Ocean.
