## **UCSB Day**

UCSB Day brought the entire student body of Harding University Partnership School — pre-kindergarteners through sixth-graders — to campus on Friday, May 15, for a morning of fun, games and scholarly inquiry. The annual event has become a highlight of the academic year since the Santa Barbara elementary school joined forces with the Gevirtz Graduate School of Education in 2010.

### **About UC Santa Barbara**

The University of California, Santa Barbara is a leading research institution that also provides a comprehensive liberal arts learning experience. Our academic community of faculty, students, and staff is characterized by a culture of interdisciplinary collaboration that is responsive to the needs of our multicultural and global society. All of this takes place within a living and learning environment like no other, as we draw inspiration from the beauty and resources of our extraordinary location at the edge of the Pacific Ocean.
