## **Beautiful Expression**

Cultivating performers, choreographers and scholars like, the dance programs in UCSB's Department of Theater and Dance encourage students to explore and express their interests and individuality. With a conservatory-style track as well as courses in everything from dance history and dance criticism to dance therapy and theory, there is — in the words of undergraduate Anastasia McCammon — “no better place to study dance” than UCSB.

### **About UC Santa Barbara**

The University of California, Santa Barbara is a leading research institution that also provides a comprehensive liberal arts learning experience. Our academic community of faculty, students, and staff is characterized by a culture of interdisciplinary collaboration that is responsive to the needs of our multicultural and global society. All of this takes place within a living and learning environment like no other, as we draw inspiration from the beauty and resources of our extraordinary location at the edge of the Pacific Ocean.
